

Dakota Shy

2013 DAKOTA SHY ‘MOULDS VINEYARD’ CABERNET SAUVIGNON

From carefully selected vineyards, produced in very small quantities and artfully crafted to reflect a sense of place, Dakota Shy wines are a testament to Napa Valley's reputation for producing the greatest Cabernet Sauvignon-based wines in the world.

Our single vineyard bottling of one hundred percent Cabernet Sauvignon from the spectacular 2013 vintage.

“Classic aromas of dark cherry, black berry and chocolate with background notes of sage and tobacco. Massive and palate coating, with incredible power, texture and richness balanced on a fine thread of bright acidity. Flavors of cocoa, dark berries, vanilla, baking spices and herb with notes of mineral and black olive. Very long, powerful and seductive. This wine is a baby that can be enjoyed now but best with 3+ hours in the decanter or another 5+ years in bottle. Expect this to hit it’s stride in 2020 and cellar until 2030 on.”

-Tom Garrett, Winemaker
