From carefully selected vineyards, produced in very small quantities and artfully crafted to reflect a sense of place, Dakota Shy wines are a testament to Napa Valley's reputation for producing the greatest Cabernet Sauvignon-based wines in the world.

Our single vineyard bottling of one hundred percent Cabernet Sauvignon from the spectacular 2014 vintage.

"Classic Moulds showing its gorgeous floral notes of violets and herbs backed with stunning plum and dark cherry-compote aromas. Dense and rich yet totally elegant in the mouth with intricate layers of flavor and texture. Baking cocoa, plum, cassis and stony kirsch-liquor notes. Incredible to find this combination of sophistication, complexity and layering in a single vineyard wine. Lush and focused, the finish draws on forever echoing the cocoa, plum and dark cherry flavors. Approachable now and delicious through 2030."
