

Dakota Shy

2014 TEN PROPRIETARY BLEND

From carefully selected vineyards, produced in very small quantities and artfully crafted to reflect a sense of place, Dakota Shy wines are a testament to Napa Valley's reputation for producing the greatest Cabernet Sauvignon-based wines in the world.

"Aromas of dark chocolate, cassis and plum lead to a full, rich mouthful of black currant, mocha, herb and baking spice flavors. Delicious layers of cocoa, plum, vanilla and cassis flavors are followed by complex notes of mint, cedar and chocolate on the long, plush finish. The 2014 TEN has a beautiful, dark, rich-core of fruit over a lush but powerful frame and smooth fine-grained tannins. Delicious now through 2030."
