

Dakota Shy

2015 DAKOTA SHY 'ATLAS' CABERNET SAUVIGNON

From carefully selected vineyards, produced in very small quantities and artfully crafted to reflect a sense of place, Dakota Shy wines are a testament to Napa Valley's reputation for producing the greatest Cabernet Sauvignon-based wines in the world.

Our single vineyard bottling of one hundred percent Cabernet Sauvignon from the spectacular 2015 vintage.

"Powerful aromas of plum compote, cherry and blackberry over chocolate and herbs. Super lush, powerful and long in the mouth with an incredibly sophisticated finish. Reveals layers of dark fruit flavors, baking cocoa and complex herb and baking spice notes. Mouth coating, yet elegant with fine grained tannin. Great depth and a wonderful energy and brightness balancing the dark intensity of this wine. At its best from 2020 to 2025 but sure to drink beautifully for decades beyond."

-Tom Garrett, Winemaker
