## 2016 DAKOTA SHY MCKENNA'S SAUVIGNON BLANC

From carefully selected vineyards, produced in very small quantities and artfully crafted to reflect a sense of place, Dakota Shy wines are a testament to Napa Valley's reputation for producing the greatest Cabernet Sauvignon-based wines in the world.

Dakota Shy white wine, the 2016 vintage is 100% Napa Valley Sauvignon Blanc.

"Complex aromas of citrus blossoms, white pepper, Meyer Lemon, slate. Shows a layered range of flavors from lemon curd and grapefruit to flint, spice and stone. Very long, fresh and precise with a textured mid palate that leads to an incredibly long, enticing finish. This blend of Sauvignon Blanc and Semillon has impressive grace and intensity. Delicious now but will reveal even more with a year or two of cellar time."

-Tom Garrett, Winemaker
