

Dakota Shy

2019 Atlas

Classic Atlas aromatics with fascinating aromas of golden dried grass, dark raspberry and black fruits. Super textured, complex and concentrated with a gorgeous core of dark fruit compote framed by dried sage, thyme, olive tapenade and black licorice notes. Unbelievable freshness for such a powerful and dense wine. An alluring and complex Cabernet Sauvignon with lingering fruit and herb flavors on the long, plush, fine-grained finish. While this is gorgeous now, it will be even better from 2025 on.
