2018 TEN

Very expressive of our valley floor Cabernet Sauvignon vineyards, this wine has beautiful aromatics of dried herbs, rose petals, black currant, cherries and anise. Super silky and smooth on the palate, the lush textured core reveals layers of currant, cherry and licorice notes. This all flows seamlessly into a long, bright and energetic finish where the flavors echo. Probably the most approachable 2018 at this point but has a long life ahead. Delicious.
