2019 Social Currency

This is Social Currency at its classic best. Powerful, seductive and utterly delicious. Tiers of pure fruit flavors of black cherry, blackberry and cassis are framed with an exquisitely refined tannin and a pure, brightness that folds superbly with the power and silky-richness. Super concentrated and fresh with a magnificent core of black fruits, grilled herbs, baking chocolate and mineral. All set on a powerful and plush framework of suave tannins. Exceptional.
