

Dakota Shy

2020 Rose of Cab

Steely mineral nose with rose petal and strawberry notes complementing the minerality. Has a great combination of plush texture with bright acidity that gives this a fine balance of unctuousness while being totally bright and refreshing. Makes for a deceptively easy wine to drink. On the palate, the complex flavors show white peach, strawberry, citrus and herb notes and finishes long and fresh.

- 90% Cabernet Sauvignon, 10% Cabernet Franc
- 6 months in 100% stainless steel
