

Dakota Shy

2016 Atlas Cabernet Sauvignon

From carefully selected vineyards, produced in very small quantities and artfully crafted to reflect a sense of place, Dakota Shy wines are a testament to Napa Valley's reputation for producing the greatest Cabernet Sauvignon-based wines in the world.

Our single vineyard bottling of one hundred percent Cabernet Sauvignon from the spectacular 2016 vintage.

"Beguiling aromas of blackberry cobbler, cedar, sage, mint and stone. Spectacularly layered in the mouth with a complex range of dark fruits, herbs, baking chocolate and floral notes emerging from a dense, plush core. Impeccable concentration, complexity and precision. The 2016 Atlas is a baby and while thrilling to drink now will gain nuance with cellaring. Drink now (with decanting) and through 2035."

-Tom Garrett, Winemaker
