

Dakota Shy

2016 Napa Valley Cabernet Sauvignon

Beautiful, complex, and totally enticing aromas of black cherry, currant and baking spice over a background of cocoa, mineral and sweet tobacco. Layers of flavor expand on the palate where blackberry, plum, cocoa and cassis ride on an incredible silken texture that transitions to super sophisticated, fine-grained tannins. Impressive for its combination of power, texture and beautifully detailed fruit flavors. Totally delicious now and will continue to improve through 2030.
