Winemaker: Tom Garrett

Prouduction: 325 cases

Winemaker's Comments:

Graphite, blackberry, and black cherry aromas lead into a lush, silky palate layered with plum, currant, licorice, and dried herbs. Plush and vibrant, this Cabernet showcases the valley floor's hallmark texture and early approachability while retaining depth and complexity. Notes of grilled herbs, mint, and blood orange linger over a long, smooth finish—an elegant and expressive reflection of our valley floor vineyards.

The T-E-N Cabernet Sauvignon is a blend of our valley floor vineyard sites. We look to the valley floor for plush texture and fruit – and that is clearly evident in the 2023 T-E-N.
